

Admission Requirements

MBA program

To be considered for admission, candidates must:

- Hold a Bachelor degree normally in Business, Economics, Engineering or Science
- Demonstrate competency in the English language
- Although the Graduate Management Admissions Test (GMAT) is recommended and strengthens the application, it is not required.

Candidates must submit:

- The Program's application form, including two recent photographs
- Copies of the undergraduate and/or graduate degrees acquired
- The official academic transcripts from each undergraduate and graduate school previously attended
- Two letters of recommendation, academic or professional
- Evidence of fluency in the English language. Candidates are required to either hold the Proficiency or take the TOEFL or IELTS, unless their Bachelor degree has been awarded from an English speaking academic institution or the candidate is a native English speaker. Applicants may, in lieu of the previously- stated requirements, complete a satisfactory interview with the Director of the MBA program.
- A current CV
- A non-refundable application fee of 70.00 Euro. The application fee should be deposited at EGNATIA Bank (account number: 0079157-42/1; when depositing money from outside Greece, the swift code: EGNA GR 2T and the IBAN No: 690280109000000079157421 are necessary too). A copy of the bank receipt should accompany the application
- After submission of their completed application form and supporting documentation, all applicants will be invited and must complete an interview with a member of the MBA Admissions Committee. For candidates from outside Greece, telephone interviews will be arranged.
